Representative Tingler thought that it would not be just the proper thing to let a charter pass that would allow a bank or trust company with a capital no larger than \$25,000 to act as executor or administrator of estates that might represent a million dollars in value, notwithstanding the necessity of securing a court order in such a case. smelly feet, corns, callouses or bunions can quickly make their feet well now. Here is an instant relief and a lasting, permanent remedy—it's called TIZ. TIZ makes sore feet well and swollen feet are quickly reduced to their natural size. Thousands of ladies have been able to wear shoes a full size smaller with perfect comfort.

It's the only foot remedy ever made which acts on the principle of drawing out all the poisonous exudations which cause sore feet. Powders and other remedies merely clog up the pores. TIZ cleanses them out and keeps them clean. It works right off. You will feel better the very first time it's used. Use it a week and you can forget you ever had sore feet. There is nothing on earth that can compare with it. TIZ is for sale at all druggists. 25 cents per hox, or direct if you wish from Walter Luther Dodge & Co. Chicago, Ill.
